Online back-up

What will happen with your important data during a fire, water damage, theft or a computercrash?

Prevent the risk and choose for MRJ Online back-up from MRJ-COMPUTERS.

Safe storage of your data.

Your data will be safely stored in the data center of MRJ-COMPUTERS.

Every day, week or month we will synchronize your data by using the software. After you have selected your data, you need not to be worried about making backups because the software will automatically do this for you.

Using your personal safety code you have worldwide access to your stored data.

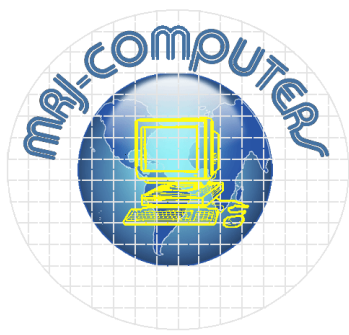

You already can have Online Back-up for € 7,95 a month.

In brief a safe and practical solution:

- Safe storage of your data
- Every time and everywhere access to your data
- Automatically back-up (daily, weekly or monthly)
- Select the folders and files which you like to have safely stored
- With the professional account you also can make back-ups of your e-mail (Outlook) or SQL server
- Easy to use
- Making backups from several computers (Pro account only)
- Easy to restore your data
- Compatible with:
 - Windows XP / Vista / 7 / 2000 / 2003 en 2008
 - Mac OS X 10.2 or above
 - Linux / Solaris / AIX / HP-UX and BSD
 - Novel Netware 5.1 or above

How it works ?

1. Install the software from MRJ-COMPUTERS to your PC, notebook or server

MRJ-COMPUTERS
Ter Spillstraat 19
3342 VK Hendrik Ido Ambacht
The Netherlands
Tel. 0031 78 – 6818503
Fax. 031 78 - 6813781
e-mail: info@mrj-computers.nl
internet: www.mrj-computers.nl

2. Select the data from which you want to make a daily or incremental back-up
3. The rest will go automatically

Only you will decide the quantity of space which you hire through which you only have to pay for what you use.

Which possibilities are available ?

PC BACKUP:

MRJ Online PC Backup provides a total automatic online backup solution for your PC / laptop or Macintosh, at a fixed low monthly fee.

>BACK IN TIME

Accidentally erased or overwritten a file? From the browser or software you download the exact version you need. Easy 5 minutes to a few weeks back in time.

>SECURELY STORED

Before dispatch to our secure data centers, your files will be encrypted with your own unique key. Only with this key you can retrieve the files.

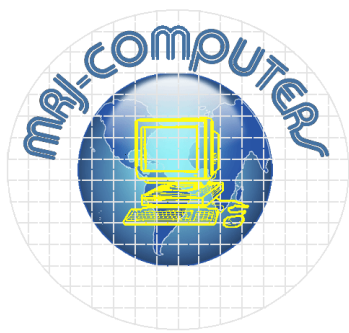

>MULTIPLE PC'S BACKUP

Software for one PC or notebook. But in a network you will be able to add from other PCs in the backup.

>AUTOMATICALLY BACKUP

Every day an automatic backup of your documents, email, photos and favorites. When and what to backup can be adjusted. Even the period MRJ-COMPUTERS the files need to be kept.

>10 GB ONLINE BACKUP OR MORE

MRJ-COMPUTERS
Ter Spillstraat 19
3342 VK Hendrik Ido Ambacht
The Netherlands
Tel. 0031 78 – 6818503
Fax. 031 78 - 6813781
e-mail: info@mrj-computers.nl
internet: www.mrj-computers.nl
