WEBHOSTING

At MRJ-COMPUTERS you rent disc space on Internet to publish your Internet site (webhosting). You will get your own domain name including the associated e-mail addresses (yourchoice@your domainname.nl).

Attainable and fast

We ensure a fast and always attainable Internet site. At MRJ-COMPUTERS you will benefit the newest hosting techniques, such as ASP.net, PHP 5 and MySQL database. Also we can help with managing your Internet site. For example by manuals, free scripts and web promotion. Together with MRJ-COMPUTERS you easily get your own Internet site online. We also can provide the design for you.

Quality and customer-friendliness

MRJ-COMPUTERS stands for quality and customer-friendliness.

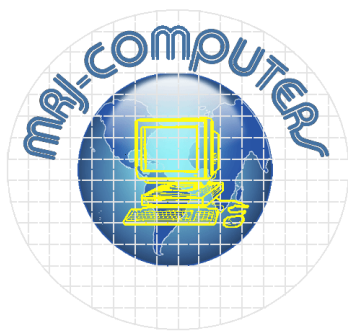

Several locations and connections and double carried out systems ensure that your Internet site is always online. MRJ-COMPUTERS provides a complete parcel with a lot of extras. YOU immediately will start your website like a professional.

Our customer support desk stands-by for you. E-mails will be replied within 4 hours.
Or course you always can contact us by telephone.

At MRJ-COMPUTERS you only pay for the service you really use. You will choose the webhosting package which fits you. The difference is present especially in the number of e-mail addresses and the quantity web space.

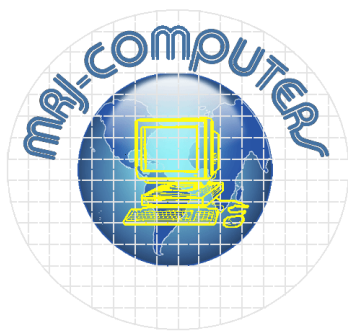

In the table below you will find all specifications of the packages and the matching prices.

Note: *All prices are exclusive 19% VAT and based on NL domainname registration.
Other domain names .COM .NET .EU etcetera are also available but for extra charge.
See the chart below.*
